**Pope's Prayer
Intentions for May
The Mission of the Laity**
That the lay faithful may

fulfil their specific mission, by responding with creativity to the challenges that face the world today.

To coincide with the annual survey of Mass attendance during the month of May, the parish are looking to update the parish data base. We are therefore asking all parishioners to complete a family information card this weekend. There will be a pause during Mass to give parishioners time to complete the card. Cards can then be handed in via the plate or left in the pink box in the church foyer.

Please keep in your prayers this week our parish and school children who will be celebrating the Sacrament of Confirmation this Wednesday evening at St Joseph's

**National Families Week
15—21 May**

In National Families Week we are reminded to reflect on the role families play in our community and the importance of celebrating the presence and meaning of family, as the protectors, first educators and nurturers of children and young people. We know that living in loving and stable families is an important safety factor for children. To support children and keep them safe we must support their families. The encouragement of family life is a key focus in our Archdiocese and within our parish team. National Families Week is an important opportunity for us to welcome and embrace the richness and diversity families bring to our parishes and communities.

The Archdiocesan Child Protection Unit has a responsibility to assist with supporting the care and wellbeing of children and families in our community and can be contacted on ph 8210 8159.
